**"SHE'S FREE"**

I knew you had to go away, it was your time you see; but I didn't take the time to face; that you were leaving me. You weren't afraid of dying, for you knew what lay in store, in the blinking of an eye or the closing of a door. You shared with us a journey, that only you could see and helped us understand, God's way as it was meant to be. Life had so restricted you, your spirit is now free to go explore the universe, for all eternity,
